WE ARE BACK!

We are all, at Superstar Sports, extremely excited to be returning back to our academies.

During the recent pandemic we have missed all of our amazing children. However, we have enjoyed seeing some familiar faces at our catch up sessions and holiday courses.

This is the first of our termly newsletters which will provide you with all the information you will need, such as upcoming dates, showcase achievements and display the amazing talents of our children. This will also include additional information on other events within Superstar Sports.

COVID-19 UPDATE

Over the past 5 months, our staff have been providing key worker provision in our partner schools and have run holiday courses throughout the summer.

We will continue enforcing current protocols and regularly update our plans to conform to government guidance and sporting governing bodies.

We will carefully structure activities that ensures engaging and fun sessions, that our children have come to expect at Superstar Sports.

Children will be required to have their temperature taken and sanitize their hands on arrival. Staff and children will regularly

wash their hands throughout the session. Staff are, also, required to wear clean uniform each day and we ask that children wear fresh clothes too.

Each academy will inform you of an individualized detailed plan of arrival and collection protocols. We will keep you up to date with changes that may occur.

Bring a Friend Week

Does your child have a friend who would love to learn a new skill and have a fun filled time? If so, invite them for a FREE taster session!

Bring them to your academy session, week commencing 28th September 2020.

*This photo was taken prior to COVID-19 restrictions

To secure their place please inform a coach at your session of how many friends you are bringing. If you bring a friend along, you will receive a raffle ticket and be entered into our prize draw for an amazing prize!

Meet The Team

Superstar Sports 10th Anniversary

Superstar Sports are extremely proud to celebrate their 10th birthday on the 1st September 2020. The journey began when we gained our first PPA contract with our longest serving school, Fairisle Junior School. At the time we were very much a one-man band, running two after school clubs in Portchester and Fareham as well as running a holiday course through AFC Portchester football club as well delivering specialist PE lessons for the children at Fairisle.

Since then, our company's size, reputation and status has grown to become the South coast's leading provider of a wide range of services for children aged 2 - 16. We now work closely with 25 educational settings, deliver more than 20 specialised academies every week and run one of the most reputable holiday camps in the area.

As a company, we would not be where we are today without the support of 4 key groups. Firstly, to our incredible staff (past and present) who have worked

tirelessly to enhance our reputation and have an impact on the children that we work with. Secondly, to our school partners who have shown great loyalty and trust in our company! Thirdly, to our incredible parents who continue to support our small business and continue to send your children to us.

And finally, the reason that Superstar Sports exists - the tens of thousands of children that we have worked with in our first 10 years of existence. I would like to extend my thank you to all of the above and we hope to continue to provide your children with the best possible experience and opportunities for many more years to come.

Registration and Payment

We have updated our system and have now gone paper less. All registration forms will need to be done online via our website. This will need to be done before the session begins.

Invoices will be sent out via email unless you wish to have a paper copy. This will be sent out at the start of the half term. The invoice must be paid within 3 weeks of receiving the invoice. If this payment is not met you will have a late charge added. Fail to make the payment before the next term begins your child will not be able to attend.
