Over the past 3 months, our staff have been providing key worker provision in our partner schools; we are extremely excited to be returning to our academies. During the recent pandemic we have missed all of our amazing children.

In order for our academy sessions to go ahead we will continue enforcing current protocols and regularly update our plans to conform to government guidance and sporting governing bodies.

We will carefully structure activities to ensure engaging and fun sessions, that our children have come to expect at Superstar Sports. Staff are required to wear clean uniform each day and we ask that children wear fresh clothes too. All academies have now returned and we have set a date for our long awaited football academy tournament. We are hoping and anticipating this to be the first of many events, this year, for our academies. Watch this space!

PAYMENT

We have updated our system and have now gone paperless. All registration forms will need to be completed online via our website before your child's first session.

Invoices will be sent out via email unless you have requested a paper copy. Coaches will inform you when invoices have been sent out. Your invoice must be paid within 3 weeks of the date issued. If payment is not received you will incur a late charge; failure to make payment before the next term begins may result in your child being unable to attend future sessions.

If you have any queries regarding your invoice or wish to speak to a member of the team directly regarding payment please email our invoicing team at superstarsportsinvoices@gmail.com

SUMMER CAMPAIGN

United in saving the summer!

The Easter holidays saw the official launch of our new campaign, 'Superstars Assemble' which is focused on giving children the opportunity to be active, socialise with friends, have fun and make up for lost time.

Throughout the summer term and summer holidays, we are striving to provide children with numerous opportunities to take part in a variety of sports and performing arts clubs. Get involved through holiday clubs or our specialist evening academies. To help improve, both their mental and physical health.
